

REACH Substance Report

EU Regulation 1907/2006 (REACH) Compliance Declaration

Article 33. Communication of information on substances in articles:

Avon Protection Systems, Hampton Park West, Semington Road, Melksham, Wiltshire UK, provides the following information related to substances identified by the European Chemical Agency as SVHC candidates defined in Annex XIV in regard to the following products:

Product(s) evaluated:

Avon Full-Face Respirators: 50 series, 53 series and FM12
Avon Powered Air Systems
Avon Positive Pressure Breathing Apparatus
Avon Escape Hoods
Avon Filters

The materials of and or related components of the systems listed above contain no anhydrous or hydrated forms of any substance registered as an SVHC on the ECHA Candidate List of substances (published in accordance with Article 59(10) of the REACH Regulation, (223 items listed @ Jan 2022) at values $\geq 0.1\%$ by weight.

This determination is based on supplier declarations, materials testing and engineering evaluations and is correct to the best of Avon Rubber plc.'s knowledge.
